

Single Prox Card Solution

By BeLine

7/12/09

Older Clamshell Prox Cards

- Millions still in circulation

Integrating BeLine Card Locks

NEW!
RF-8

Standard Latch
Or
Mortise

BeLine's RF card reader lock:

- is 60% lower in cost than prox card reader locks.
- uses an RF tag that is 50% lower in cost than prox cards.
- has an optional single latch mechanism, resulting in super easy installations (mortise still available).

BeLine's Innovative "Stick On RF"

- Stick On RF sticker for any clamshell prox or standard size card
- Continue to use cards in circulation
